

20 JAN 22
VERTICINE DE PORCELLANA - all three pitches in good condition, fat ice but quite brittle (lots of dinner plates, not hooked). Lovely climb. Approach and descent hard work.

E TUTTO RELATIVO

JF & Clem

All pitches in good condition. 3rd pitch well hooked. Descent by foot (we saw people in Cristal Gueisy). Done with a 50m rope (a few meters of simul-climbing in the 4th pitch).

LIO, SLADE & BRETT

Sentiers del Troll → good conditions

Valmanina → cold (-12c) in car park but 1st pitch was completely wet at 11:00am.. change of plans we went to...

Patric → great conditions, a couple of parties ahead of us.

16-21/1/22 Tom Fox Peter Kelly Graeme Little

16- Troll - hard ice tough on calves - all good.

17- Patric - nice - Patric L by 2 lines 7hr.

18- Short day - on Gulliver then the gorge below Lilliz

19- Entrelor Val de Rheim - weather white. Great cafe.

20- Valmanina - nice main pitch 3+

21- Fenella - like being in the Lake District

Gwyn scrambling. Fun.

Weather totally perfect all week! Great to be back.
